Allergens

Be sure to inform our service staff before placing your order. We have an information folder for you from which you can find the compositions of our basic menu, the ingredients used and the labels of the additives. Please note: Dishes can be refined, supplemented, rounded off or decorated with additional products, e.g. herbs in a sauce, nuts under an ice cream, almonds over vegetables, etc. If you do not inform us of your allergy when you order your dish, it is not possible to change it afterwards and we will have to charge you for the dish.
